

leo was a young lion who didn't like to roar.
He was quiet and kind — not like the other lions who were loud and strong.

One day, his best friend Rabbit got stuck in a bush.

The other animals were too scared to help.

But Leo ran over, pulled the branches away, and saved his friend.

Everyone was surprised.

“Wow, Leo! You’re so brave!”

Leo smiled.

Now he knew:

Being brave means helping others, even when you feel afraid. 🦁
